## **Sweet Taste of Summer: Get Inspired by Eli's Cheesecake's Pastry Chef/Celebrity Collaboration**

Eli's pastry chef, along with a different celebrity guest each week, will show you how to create a unique Summer dessert, using freshly picked fruits and vegetables from the Eli's Cheesecake Farm Stand and Fresh Market. Learn to make lemon berry cheesecake parfaits, cheesecake s'mores, fresh fruit crumbles and more. Receive the recipe, shopping list for the market and a 15% discount for Eli's Cheesecake Bakery Café so you can recreate the dessert at home! The event will take place at 10am on Eli's Patio under the Big Top Tent during the weekly Farm Stand and Fresh Market.

The demos will take place on Thursdays, August 9, 16 and 23 at 10am and feature celebrity guests Candid Candace and Roxanne Kayvani

## **Back to School Farmer's Market : Eli's Cheesecake's Drive for School Supplies**

For over 12 years, Eli's Cheesecake has supported its neighbor, New Horizon Center for the Developmentally Disabled, a not-for-profit program providing education and training for children and adults with severe developmental disabilities and autism. We invite you to participate in a school supply drive benefitting students of New Horizon. With your school supply donation, you will receive a free slice of Eli's Cheesecake! Kids are invited to bring their school back pack to personalize with fun, free embellishments in preparation for the upcoming school year.

The school supply drive will be held during Eli's Cheesecake's Farmer's Market on Thursday, August 23rd, from 7am-1pm on the Patio under the Big Top Tent.
